

Delia Memorial School (Hip Wo No.2 College)

In view of the current situation of the novel coronavirus epidemic, the school has taken the preventive measures as follows:

Before class resumption

- Remind parents/guardians to pay attention to students' personal and environmental hygiene. The School strongly advises all students to stay at home during the class suspension period.
- Keep contact with parents and students to record the travel history of students.
- Visitors or students will be required to take temperature and fill out necessary information when attending school.
- Ensure a clean and hygienic school environment.
- Regular cleansing of classrooms with 1:99 diluted household bleach.
- Regular disinfection of school equipment, door knobs and carpets with 1:99 diluted household bleach.
- Cleaning of floor and doors regularly.
- Ensure proper maintenance of toilet facilities, provision of liquid soap and disposable toilet paper.
- Wear masks and wash hands frequently.

After class resumption

- Take temperature for students when they arrive school in the morning.
- Visitors or students will be required to take temperature and fill out necessary information when attending school.
- Remind students and staff in adopting good personal hygiene, wear masks and wash hands frequently.
- Maintaining good ventilation in classrooms
- Consult a doctor at once if feeling unwell, including respiratory symptoms, fever, cough, shortness of breath and diarrhea. Students with fever and respiratory symptoms should not attend school.
- Hand sanitizer is available in classrooms for use if necessary.
